How many can you find? Below are some examples to get you started!

1. TEN
2. PAN
3. APE
4. TOP

Ingredients:
- 1 tube pre-cooked polenta
- 2 tbsp of olive oil
- A few sprigs of fresh rosemary and chives

Directions:
1. Put the oven on broiler and preheat.
2. Wash chives and herbs.
3. Remove rosemary from stem.
4. Cut chives with kitchen scissors.
5. Cut the polenta into thin circles.
7. Place polenta rounds onto cookie sheet and lightly drizzle oil over polenta.
8. Broil for 8 minutes. Check after 5 minutes with oven light to make sure they’re not browning.

Quick Corn Facts

- Munch on corn for superhero-style vision! This veggie’s got lutein and zeaxanthin, powerful phytochemicals that keep our eyes in tip-top shape!
- Did you know that each antioxidant has a different color?! So try corn in white, yellow, red, and even blue!
- Corn also has lots of fiber, which helps us feel full!

I love all yellow super foods, including polenta! What’s your favorite?
