**The Super Crew’s Crunchy Christmas Tree**

Make your own crunchy Christmas tree with only a few ingredients that give you healthy body powers!

**Ingredients:**
- 1 medium cucumber
- 8 cherry tomatoes
- 1 small yellow bell pepper
- 7 almonds, pecans or walnuts

**Instructions:**
1. Slice cucumber in half, then into 10 evenly cut rectangles.
2. Slice a bell pepper in half and lie it flat to cut into the shape of a star.
3. Place the bell pepper star at the top of the highest branches.
4. Put 4 of the tomatoes in a straight line down the center for the tree trunk and a few at the branches’ ends as Christmas lights.
5. Place your nuts at the base under the bottom tomato.
6. Enjoy eating this as a crunchy holiday snack or dinner appetizer!

“Green foods help keep my body healthy during the holidays!”  
- Jessie

“I added red tomatoes because they’re good for my heart.”  
- Tom Tom

“When I come in from the cold I love roasted crunchy nuts like pecans, almonds or walnuts!”  
- Kira
